

Wells Fargo corporate giving

Wells Fargo is proud to support organizations working to strengthen our communities. We believe that grant-making decisions are more effective when made locally. That's why we are actively involved in the communities where we do business, and why our team members are leaders in helping our communities succeed financially.

Wells Fargo makes contributions in areas that we believe are important to the future of our nation's vitality and success. Our first priority is to support programs and organizations whose chief purpose is to benefit low and moderate income individuals and families.

In 2015, Wells Fargo invested more than \$12.7 million in nonprofits and schools in Florida communities. Florida team members also logged more than 90,000 volunteer hours in their communities.

Wells Fargo appreciates your commitment to making our communities in Florida better places to live and work. We are proud to collaborate with your organization's important work.
